LOTUS

CRAFTING JEWELS OF TRUST

— SINCE 1943 —

We are a jewellery manufacturing company, producing Indo-Italian Jewellery in 22 Karat gold.

The modern machinery and technology we possess, including Laser and CNC, makes us well-equipped to offer latest designs in the finest of quality.

With the help of highly experienced & creative designers, a trained research and development team, an array of high-tech machinery and skilled craftsmen, we are currently able to present 7 different collections in 22 Karat gold.

PRESENTING ALL NEW COLLECTIONS '22 from the **WORLD of LOTUS**

Bringing to the most up-to-date, innovative and impeccably crafted jewellery collections, we cater to numerous retail jewellery houses, pan-India & we also export. Owing to our state-of-the-art workshops and production units, we are able to present the freshest and trendiest of designs, crafted in the purest of gold and precious gemstones, month after month, year after year. Explore our seven selected series showcasing splendid silhouettes and variations of light-weight gold jewellery.

QUALITY

CRAFTING JEWELS OF TRUST

At our workshops, the most skilled artisans bring alive with love & care, handpicked stones and precious metal pieces to be adored and adorned for eternity. In all their creations, they carve with perfection every bauble that flaunts excellence and absolute impeccability.

PERFECTION – OUR TOPMOST PRIORITY

We understand the value of the faith that our clients entrusts us with. This trust is truly our most cherished treasure. And so, we make it a point to present them with perfection in both our products as well as our services. We take pride in offering the best of everything to them, and always aim to not just meet but exceed their expectations.
